

## Love or Lust (A Hot Romance)

Miley never pictured her relationship with Jacob to end up the way it did. He left an impression on her as a careless playboy, something akin to the truth. And she left him with an impression of a rude and self-centered woman. But both of them couldn't be more wrong. Now they're moving in together and their going to celebrate the night in the craziest, hottest, and most jaw dropping sexy way possible. Can love shine through the cloud of lust and passion? Or will their urges get the best of them and leave them wanting something more? Where there's love and passion, there's bound to be an explosion. Lucky you!
