

A Hint of Heather

If a spirited Highland lass kidnaps an English earl, does she get to keep him? After Jessalyn MacInnes finds herself the new laird of Clan MacInnes, her well-meaning clansmen decide to go a-raiding to find her a bridegroom. They toss their bound captive at Jessalyn's feet, but the last thing she expects to find is a strapping young Englishman with thick dark hair, the face of a fallen angel, and green eyes snapping with fury. Neil Claremont, the earl of Derrowford, has journeyed to the Scottish Highlands with the Royal Corps of Engineers to fortify the king's fortress, not to be kidnapped by a horde of barefoot savages and wed against his will. But when Neil first lays eyes on his bonny bride-to-be with her sparkling blue eyes, deliciously kissable lips, saucy wit, and steadfast devotion to her clan, he begins to remember that after every wedding comes the wedding night.
