

A Thuggish, Ruggish Love 3: Heart of a Gangsta (A Thuggish, Ruggish Love: Heart of a Gangsta)

How far would you go to protect the one you love? Can you be that Ride or Die Chick? When Blaze is faced with a lengthy prison sentence, Aleah is given the opportunity to become his savior. With an indecent proposal on the table that can be used to set Blaze free, will Aleah put aside her values and morals so that they can be reunited? Xavier has Mackie on the brain! She was just that good. Hes willing to do whatever it takes to keep her in his life, including going against doctors orders. But this time, will it cost him more than just his time and money. With his body weak and frail, will he put his trust into someone who doesnt have his best interest at heart?

Mackie has the weight of the world resting on her shoulders. On the run from three different law enforcement agencies and with Blaze and Diesel not easily accessible, she has to decide if life is worth living. As she is pushed to the limit, can she find the strength needed to overcome the possibility of losing everything that she holds near and dear to her heart? Keya has found the love of her life in Khalil. Hes just what she needed to bring peace to her chaotic life. With Xavier in the hospital and Aleah consumed with Blaze, she learns to stand on her own. Trying to find a balance between loving Khalil and taking care of Xavier stretches her beyond her limits. Soon she will have to choose between love and happiness or putting family first. Every woman needs a Blaze and every man needs an Aleah. Let A Thuggish Ruggish Love show you why.
