

For Nothing: An Upstate New York Mafia Tale

In book one of Nick Denmons groundbreaking An Upstate New York Mafia Tale series, undercover cop Alex Vaughn goes deeper than ever into the organized crime family of Buffalo, NY. Motivated by justice and revenge, he seeks out the assassin that laid his friend Jack low. Professional killer Rafael Rontego traverses the deadly politics of Buffalos mafia underbelly. In a city whose winter can be just as deadly as those wielding power, Rontego tries to stay ahead of the game. Their two worlds collide in this epic thriller that takes the listener on a search for self, justice, and truth.
