A Werewolves Saga Extras When you live as a werewolf, an animal that has lived three lifetimes over thousands of years, life can be empty and meaningless. It can feel worse than an eternity, but occasionally something will happen that will change your life forever. This was one of those times Following the great battles of the great Civil War, Collins comes across others hunting the fields of the dead and dying. Faced with a standoff, he finds something that he wasn't expecting he finds a friend. A Werewolves Saga When the world began, the human race lived as nothing more than cattle. A great group of creatures ruled the world. A small band of humans with great powers emerged from the chaos, and with them, the human race fought for their right to live.
