

The Abducted: Vengeance- Book 2

After an intense FBI raid results in the mysterious disappearance of the Snatcher, Detective Miriam Castillo relocates and joins a new police force, ready to put the past behind her. But when the daughter of a wealthy congressman is kidnapped, everything Miriam thought she had escaped comes back to haunt her. The stakes have never been higher in the new mystery thriller by Roger Hayden, best-selling author of the popular dystopian series, Grid Down, and the action thriller, Sleeper Cell. With Abduction, Hayden delivers his most suspenseful outing yet in a series certain to have readers locking their doors at night.
