

## Jodies Choice

Dr. Ashton Tolliver has known Linda Shell his entire life, so knows she doesn't have children. When Linda is in a car accident and pleads with Ashton to go to her farm and watch after her daughter, he is sure he is about to make the trip to see a beloved pet. The beautiful, vivacious woman who answers the door is definitely not a pet. Ashton sets out to save Jodie, but soon finds he is fighting against love. Jodie has never left her family farm, never heard of print media or many of the technologies of the modern society, and never knew love until Ashton Tolliver came her way.
