Then a well-connected lawyer is wheeled in, victim of a suspected suicide. One suicide is bad. But when one grows to four in a matter of days, and all the victims are lawyers, the trend stops being an oddity and becomes a real problem. Were these really suicides? Why would successful, hot young lawyers want to kill themselves? Then Molly unearths secrets that powerful people don't want exposed and the puzzle suddenly becomes a threat. Now she must find killer, or become the next victim.
