

Blind Justice

Deacon Munroe is not your average investigator. He's intelligent, cultured, well-connected. And totally blind. Washington DC is Munroe's city. Now it's a city shaken to the core by the death of a high-ranking general and his wife. All the evidence suggests that the general killed his wife before taking his own life. Deacon Munroe does not trust what other people see—only what he knows is true. What Munroe soon knows is that the general's death is part of a far greater plan, a sophisticated and brutal plot to kill thousands of innocent people, including those closest to Munroe himself. But with only a small team at his aid, and just hours to stop a devastating attack on the city, can Munroe unearth the truth in time to bring justice to the city?
