

Love on the Rocks: Spring Break in Vegas

A short, sweet gay romance about opening the door to possibilities... Terry and his friends have come to Las Vegas for some fun on spring break, to celebrate turning 21 - but Terry doesn't feel much like celebrating. He's been preparing for a career he doesn't really want but doesn't know how to walk away from, and he's got no one special to care about. Then, he's sitting alone watching his friends do some rock climbing when a gorgeous stranger with a camera approaches... and starts a conversation that just might change Terry's entire life.
