

Birthday Present

An engaging historical tale from a much-loved author - London, 1890. Singer Rose Paton is confident that, with her looks, youth, and talent, she's destined for greater things. When mysterious stranger Marcus Bennley asks her to sing at his sister's birthday party, as his present to her, she accepts for the half a guinea more than two weeks wages. But will the deal be quite so sweet as promised, or has Rose made a terrible mistake entangling herself with the Bennleys?
