

Proposal at the Lazy S Ranch (Mills & Boon Cherish) (Slater Sisters of Montana, Book 2)

Driving through the Lazy S Ranch after ten years away, the first person Josie Slater sees is the gorgeous-as-ever Garrett Temple! The memory of her first love and her first broken heart come flooding back. She doesn't have time for old attractions as the Lazy S needs her help! But when a snowstorm blows in, Josie and Garrett are left stranded together. With nowhere to run, the feeling that they still belong together is undeniable.
