

Poems

A rare collection of Dickens poetry, ideal for Dickens enthusiasts. He has turned from his farm! From his home he has cast the old man who has tilled it for years; Though each tree and flower is linked with the past, and a friend of his childhood appears. While Charles Dickens is best known and celebrated for his prolific journalistic output and novelistic creations, he also devoted some of his creative energies to verse. At turns sentimental, melancholy, playful, humorous, and satirical, and ranging considerably in tone and format, from songs to narrative prologues for novels and squibs for newspapers, the poems in this collection highlight Dickens's gift for language and his unfailing power to touch.
