

## The Dark Inside: A short story collection (Element Trilogy)

Heartbreak, danger, lust, and betrayal blaze to life in this collection of stories that reveal the dark places hidden within us. When what you most desire is on the line how far will you go to get it, and what will you give up? A young man desperate to leave a world that doesn't accept him and a father who hates him. A tormented man imprisoned as a science experiment experiences love for the first time. A secret agent gives in to his carnal desires and risks exposing the one secret he wants to keep. A college freshman betrayed by her lover takes matters into her own hands. A young girl is determined not to suffer at the hands of her molester anymore. A sadistic leader who thrives on mind control leads his people into a new life. A teen seeks escape from his abusive foster father and faces a life-or-death situation to survive. They must either fight the dark inside or embrace it. Which will they choose? This short story collection features characters and settings from the paranormal suspense novel, *A Human Element* (Echelon Press 2012), and its sequel, *A Hidden Element* (forthcoming 2013).?
