

In a Dark House (Duncan Kincaid/Gemma James Novels)

An abandoned Southwark warehouse burns next door to a womens shelter for victims of spousal abuse. Within it lies the charred corpse of a female body burned beyond all recognition. At the same time, workers at Guys Hospital anxiously discuss the disappearance of a hospital administrator -- a beautiful, emotionally fragile young woman whos vanished without a trace. And in an old, dark, rambling London house, nine-year-old Harriets awful fears wont be silenced -- as she worries about her feuding parents, her schoolwork ... and the strange woman who is her only companion in this scary, unfamiliar place. Gemma James and Duncan Kincaid -- lovers and former partners -- have their own pressing concerns. But they must put aside private matters to investigate these disturbing cases. Yet neither Gemma nor Duncan realize how closely the cases are connected -- or how important their resolutions will be for an abducted young child who is frightened, alone ... and in serious peril.
