

## The Great Bazaar & Brayans Gold

From the dangerous world of the Demon Cycle comes the early adventures of Arlen, Peter V. Brett's quintessential fantasy hero. These exciting origin tales follow Arlen as he learns to navigate a world where the elemental forces of evil conjure themselves from the earth each night. Humanity has barely survived a demonic onslaught by using magical wards that protect their cities and homes. Only a handful of mercenaries and explorers risk traveling after the sun sets. Arlen, seeking adventure and fortune, is barely protected by the warded armor upon which he has inscribed intricate defensive runes. From a journey ferrying a wagonload of dynamite to a mountain stronghold, to a dangerous mission to recover desert treasures, Arlen faces friends and enemies with a strong arm and a cunning wit.
