

## The Cannabinoid Hypothesis

Frank Shoemaker, M.D. is the worlds preeminent neurosurgeon thanks to his development of the definitive treatment for schizophrenic psychosis. Now the good doctor is on the run, wanted for an unspeakable crime! Mr. Jones is a drunkard, a former elite soldier now haunted by the demons of his past. Mr. Jones and his team of mercenaries have been hired to track down the good doctor, are in hot pursuit, and are determined to get their man! I hope that you enjoy reading The Cannabinoid Hypothesis as much as I enjoyed writing it! Dr. Leonardo Noto Practicing Physician, Novelist, Nonfiction Author, and Owner of The Health and Medical Blog with a Personality.
