

Second Sight: A Novel of Psychic Suspense

Stunningly beautiful blind psychic Sherry Moore has the extraordinary gift for seeing the last eighteen seconds of a deceased persons memory, which has helped solve numerous crimes and save countless lives. Her life has been anything but normal, but because of her relationship with Brian Metcalf, the Navy SEAL she met during a dramatic rescue on Mount McKinley, Sherry has never been happier. Then her exposure to deadly radiation changes everything. Flush with pounding action and shocking twists, *Second Sight* is the riveting story of an astounding heroine who, in delving into the darkest corners of the pharmaceutical trade, risks her life to set right an injustice buried deep in the past.
