

Child of the Light (The Madagascar Manifesto Book 1)

This remarkable book follows the lives of three friends, Solomon Freund, a Jew, Erich Wiesser, his Catholic neighbor and brother in blood, and Miriam Rathenau, whom both boys love, and who happens to be niece of Germany's foreign minister Walther Rathenau. From their youth helping at their parents co-owned tobacco shop, the boys find their relationship strained, as was all of Germany, by the growth of the National Socialist party and the descent of Germany into a Nazi hell.
