

# Chimera

The year is 2014. A violent uprising has been instigated all across Tibet as Beijing moves to establish control while the Dalai Lamas health deteriorates further and questions on the future of the Tibetan leadership are raised. As Beijing pursues the rebels and their benefactors within India, both nations are plunged into a spiraling descent to war. Now each side must navigate their widely different paths to victory as vast armies on both sides wage all-out war in their bid to become the dominant power in Asia Book Edition: VI
