

## Christmas Beyond the Box

An Amazon Top Ten Christmas favorite! (But is it right for you?) It is if you're tired of hokey holiday stories like Frosty Knits Mittens for Kittens, or A Cookie for Rudolph. Yawn. The holidays mean many things to many people. Christmas Beyond the Box takes that notion a great deal farther, and provides some truly unconventional looks at the season from several unusual perspectives. Suitable for all but the very young, there's sure to be a tale worth re-telling in this collection for many Christmases to come. Bestselling and award-winning author, Josh Langston, brings his considerable talents to bear in this collection of seasonal short stories. But, just because they take place during the holidays, don't assume these tales won't generate smiles at any time of the year. As a bonus, the collection includes a novel excerpt from Under Saint Owains Rock, a contemporary romantic comedy by bestselling authors Josh Langston and Barbara Galler-Smith.??? Try some tales guaranteed to look at the Christmas season in a different way! Scroll up and get your copy now!
