

Cold Springs: A Novel from the Files of the Artifact Securement Agency

In the small town of Cold Springs, Colorado, the people are friendly, the air is fresh and life moves at a slower pace than the rest of the world. The seemingly idyllic lifestyle of the residents is punctuated by a mystery whose origins stretch back a thousand years, and whose conclusion could mean the end of civilization as we know it. Written by bestselling author Mike Kraus, author of the Final Dawn series, Cold Springs is the first entry in a new, unique universe that is breathtaking in scope and unrivaled in potential.
