

Confessions of a Monster Hunter 1: The Veil of Innocence

Am I the Avenging Hand of Korandos? F**cked if I know. What I do know is that Im not like the rest of you. Not anymore. Youre helpless before the monsters that secretly rule our world, but Im not. You might not know it, but Im doing all I can to keep you from being just a pawn, or a meal, to these creatures. These memoirs are my confessions, my diary. Im not proud of everything Ive done, or of all the decisions Ive had to make, but I stand by them; nothing in here is sugarcoated. This first volume covers my beginnings. From my first hapless confrontation with a monster to my efforts to destroy the foul veil of innocence; its all in here. This ebook is a novella (~36k words) - Contains strong language.
