

Dangerous Transitions

Bert and Martha Pickett are in their 60s, and reside in Oklahoma. They have a secret past they cant talk about. They were an assassin team known only as Shadow. While helping their son get out of trouble with drug dealers, the Picketts are suddenly put on the radar by both the CIA and their former enemies that they had been hiding from for 25 years. Their future is very... uncertain. As for the present theyre just trying to stay alive.
