

Dark Indiscretions (Dark Indiscretions Series Book 1)

Mature audiences only 18+ (Second ed. almost 6K added) Jennifer's family is scarier than any nightmare. But if she rebels against the family ways, they'll turn their viciousness on her next. At just a century old, a family dinner gone wrong shows Jennifer Johnston exactly why humans believe Mystics are evil, and the events that follow leave her with more than just a few tortured memories. Jackson Dawls and Taylor Durham are a deadly species all their own as well, but even they fear the Mystics and their barbaric ways. Now, unforeseen circumstances bring them face to face with not one, but a few. When the three meet, long-hidden secrets are brought to light. Secrets no one but Jennifer knew. But if they can't learn to work together, their apprehensions will destroy their lives.
