

Date with Destiny (Mills & Boon Cherish)

Was it fate... or a labour of love? New York financier Grace Preston didnt do small towns in Australia. Not since shed fled almost twenty years ago. But when a personal trauma sends her home with a secret she cant reveal the last person she needs around is her first love. Local cop Cameron Jakowski has loved Grace for most of his life, but while hed wanted marriage and a family, she didnt! He was small town; she was big city but now she was here a walking, talking temptation. One hed managed to avoid... until he kissed her and reawakened the passion that could change their lives... forever!
