

Dead Mans Hand: An Anthology of the Weird West

HOW THE WEST WAS WEIRD! From a kill-or-be-killed gunfight with a vampire to an encounter in a steampunk bordello, the weird western is a dark, gritty tale where the protagonist might be playing poker with a sorcerous deck of cards, or facing an alien on the streets of a dusty frontier town. Here are twenty-three original tales of the Old West infused with elements of the fantastic, produced specifically for this volume by many of today's finest writers. Included are Orson Scott Card's first Alvin Maker story in a decade, and an original adventure by Fred Van Lente, writer of *Cowboys & Aliens*. Other contributors include: Tobias S. Buckell, David Farland, Alan Dean Foster, Jeffrey Ford, Laura Anne Gilman, Rajan Khanna, Mike Resnick, Beth Revis, Fred Van Lente, Walter Jon Williams, Ben H. Winters, Christie Yant, Charles Yu.
