

Demons: Encounters with the Devil and His Minions, Fallen Angels, and the Possessed

2011 BRAM STOKER WINNER for Superior Achievement in an Anthology! This mind-blowing anthology cracks open the lid on demonic lore, from the possessed to fallen angels and the Devil himself. The next book in Black Dogs supernatural series, Demons presents thirty-six terrifying, tantalizing tales in which evil spirits wreak havoc on the world. Neil Gaiman, William Peter Blatty, Kim Harrison and Robert R. McCammon join H.P. Lovecraft, Edgar Allen Poe, Charles Beaumont, Bentley Little, Maggie Stiefvator, Danielle Trussoni, David J. Schow, Karl Edward Wagner, Richard Christian Matheson, Adram-Troy Castro, Amelia Beamer, Cody Goodfellow, Carlton Mellick III, and dozens more, both old and new. Horror legend John Skipp, editor of Zombies and Werewolves and Shapeshifters, provides fascinating insight into the history and details of demon lore, and its role in popular culture. Between the extensive resource materials and the lovingly selected stories - ranging from fantasy, horror, paranormal romance, and magic realism to full-blown Bizarro - Demons is an indispensable text, and the most fun you'll ever have with the forces of evil.
