Just wow! This has to be the best McRyan book I've read I really enjoyed the twist and turns this book had to offer. This book takes the reader on one wild ride, with the suspense not letting up until the very end. Mac is one part Lucas Davenport and one part Mitch Rapp - and it just does not get any better than that! Sex, power, money, and murder keep you wanting to keep reading until you finish it

and then wishing there were still more to read! Great story with all the elements of a fantastic read. Two thumbs up, way up for this one! Five stars and then some. Couldn't put it down! Everything else I had to do just sat until I finished this book. Compelling, thrilling, good tale, all ends wrapped up, with a thoughtful ending. Roger Stelljes is exceptional. His plots twist, turn and keep you glued to the book. Minnesota has produced two mystery writers of extreme talent, Vince Flynn and Roger Stelljes. Keep em coming Roger! Another Mac McRyan excellent read!!! I wish Mr. Stelljes could write faster because I love his books and can't wait till the next one. He never disappoints. A book that drew me right in. A well written story - and you just have to like Mac!! I'll read more of Mr. Stelljes books. Loved this one!!!
