

## Electric Literature No. 3

In our third anthology, Aimee Bender introduces us to a young woman unable to summon the desire to sleep with her husband without payment in cash, Matt Sumells protagonist feels capable of anything but can save no one, Rick Moody charts the rise and fall of a romance via Twitter, Patrick deWitt presents a bleak, funny tale of two movers who are going nowhere, and Jenny Offill chronicles the awkward vigil of a man caring for his terminally ill ex-wife.
