

Empire of Alexandria (Alexandrian Saga Book 5)

One hundred years after the murder of Julius Caesar, the circumstances of his death could change the course of the fledgling Alexandrian Empire. Left in charge of the treacherous Roman Senate while Agog heads north to deal with the traitor Marcus, Heron finds the game of politics maddening. Her constant missteps encourage a growing list of enemies while a mysterious benefactor proves too dangerous to trust. As the city races towards a political showdown, Heron must discover the truth about the murder of Julius Caesar's death witnessed by hundreds and understood by few before a perilous vote hands power back to the Romans.
