

Escape, Past Sins

Abby and Eric's story continues in this follow up to ESCAPE, A New Life. Abby has put her past in the rearview mirror and carved out a life with Eric on an isolated island; their own personal slice of paradise. But after having her new life shaken to the core, Abby comes out of hiding to get her memory back and reunite with the part of herself she left behind though nothing can prepare her for her forgotten sins and the dangerous men awaiting her return. Coming out of their self-imposed exile, Abby and Eric embark on a journey to the other side of the world. They have a plan to reclaim a piece of her past and forever bury the secret location of their new life, creating a peaceful future for themselves. Stalked on their journey by guardian angels and instruments of the devil alike, their plan comes to fruition, but at the ultimate cost. While she can run, Abby cannot escape her frightful past.
