Buy now for only \$2.99 Having experienced the evil joy of drugs Paul and Matt are drawn towards it more and more and apart from their being habitual drug users they also begin to explore other areas too like having gay sex when they got high on drugs. They opted to have sex on a isolated stretch of the beach, where they also did their drug peddling until they finally got nabbed by the cops and sentenced to serve a term in prison. In prison they become victims of a couple of veteran prison inmates. Paul and Matt surrender themselves to the elderly veterans, Cassidy and Clint. Whether they did it with reluctance or not, only the youths could explain as they too seemed to enjoy the pleasures of gay sex with the elderly prison inmates.
