When a serial killer shows up on Longboat Key, Florida after a twelve year absence, Matt Royal is stymied. The first woman killed on Longboat Key has ties to a secretive government agency for which Matts best friend Jock Algren works. Was this a coincidence or was she a targeted kill? And why has he come to Longboat Key when his earlier kills were all in Miami? The mystery deepens when Guatemalan gang-bangers try to kill Matt and J.D. and suspicions grow that Mexican drug cartels are somehow involved.
