

F*ck me? F*ck You!: A SHORT Extreme Story of sex and horror

This is A SHORT STORY. It is intended for the members of Kindle Unlimited who have been requesting me for short, sick, bedtime stories. As part of Kindle Unlimited they are able to download this title for free. If you wish for a longer story to read, please do not purchase any of the White Cover Books (aka F*cked-Up Shorts range of tales). A good place to start would be The Black Cover Books (for lovers of extreme horror). I thought it was a loving relationship. Married fresh from college and seemingly going from strength to strength for the last ten years. I had no idea he was cheating on me with that whore. I had no idea but - then - he has no idea I've seen him. I can use the knowledge to my own advantage. I can play him at his own game and teach him a lesson he will never forget. And whilst I am at it, I can experiment with my own sexual desires... Im not sure what will happen come the end of the evening. All I know is this this will be the last time we make love as husband and wife... From Matt Shaw (Sick B*stards Trilogy, PORN, Whore and Rotting Dead F*cks) comes a new short story in his F*cked-up Shorts range. This is a standalone tale.
