

Fire Magic (City of Dragons Book 3)

Alastair Cooper, my abusive ex-husband, is dead. He was found in dragon form in a dragon slayers cooler, an arrow in his heart. But before I can start dancing for joy, I find that I'm the main suspect in Alastair's murder. The only person the police think is more likely to have committed the crime is Lachlan Flint, my boyfriend. After we were arrested and spend a night locked up in a jail that leeches the magic from our bones, we know we've got no choice but to find out who really killed Alastair. We've got to clear our names. I can't go to prison. I've got a baby on the way, and I have to do whatever I can to protect my unborn child. Of course, Lachlan doesn't know about that. How do I tell him I'm pregnant? With Alastair's child?
