

Fools Errand (The Tawny Man Trilogy, Book 1)

Fantasy as it ought to be written George R.R. Martin Return to the world of Fitz, the Fool and Nighteyes in the first book of The Tawny Man Trilogy by international bestselling author, Robin Hobb. Years have passed since Fitz was tortured by Prince Regal. Now he lives in self-imposed exile far from the court. Even his beloved Molly believes him dead. It is safer that way. But safety remains an illusion. Even though war is over dangerous undercurrents still swirl around the Six Duchies and suddenly young Prince Dutiful disappears just before his crucial diplomatic wedding to shore up the peace. The Fools brings Fitz a secret mission. He and his bonded companion, the wolf Nighteyes, must find Dutiful and bring him back to be wed. For if the Outslanders are snubbed, war will surely resume. But what if the prince does not wish to be found?
