

Murder Inc.: A Sci-fi Thriller: Book 1

In the shadow of a global organization, a secret exists that controls the balance of life and death across the world. That secret lives in New York City, 2045, murdering without prejudice, thriving amongst the people in a horrific conspiracy. Eighteen months ago, suspended Detective John Gutterson almost uncovered that secret. Now, the opportunity has surfaced again, and Gutterson must decide who to trust as he seeks to redeem himself and bring the truth to justice. But in this world, misplaced trust is a deadly thing. Bryan Fox has carried the secret for thirty years, maintaining it for the good of all humanity. But the balance is shifting. The irrepressible greed for power threatens and Fox must find a way to save himself, his allies, and the oblivious world he has killed to protect, while facing off against those who seek to destroy him.
