

## The Falcon Series: Out of the Dark, Out of the Shadows, Out of the Night (Falcon Securities)

**OUT OF THE DARK** After a Russian mission goes south, Falcon Securities agent John Mac McKinsey is stranded with assassins on his trail. His boss arranges for him to hitch a ride with the corporate attorney Emily Richards, who is in Russia as a mediator. Emily Richards wants only to return home then on to a peaceful vacation with her best friend. When armed men invade her hotel room minutes after Mac arrives, Emily is forced to depend on Mac to stay alive. Anger that Mac has entangled her in a life or death struggle quickly turns to fear when the men pursuing them call her by name. Together Mac and Emily engage in a tumultuous ride to escape with their lives and capture a crazed bomber and a vindictive drug lord. More difficult is tearing down their own emotional walls. Can they succeed and admit love is the most precious thing in life?

**OUT OF THE SHADOWS** Falcon Securities Agent Brody Hawke sees the world from a tilted angle. His best friend, A.J., who saved Brody's life is captured and diplomats are getting nowhere in his rescue. Brody takes over even though he knows his impetuous actions will ruin his career. He is not willing to abandon his friend to torture in a Mexican jungle hacienda. What's Brody's plan---kidnap a CIA agent and use her as bait. CIA agent Kate Stone is fighting for her job and sanity after a failed attack in Iraq. She knows the truth is out there somewhere, but can't prove it. Her life is torn apart when Brody kidnaps her. When she and Brody reach A.J., they learn the situation is more serious and far-reaching than they'd imagined. Brody, Kate and Falcon Securities must rescue A.J. and stop the assassination of the President of the United States. Can Brody and Kate find true love in the mist of all the chaos? And can Brody accept what Kate reveals about his past so he can finally reach out for a love of his own?

**OUT OF THE NIGHT** Falcon

Securities Agent Tony Archuletta has lost his memory and a CIA operative is being held captive by a lethal group of terrorists out to destroy America. For Tony to pull off a mission this delicate and complex, he must have his memory as well as every weapon at his disposal. Abby Williams is a reporter who happens to be at the wrong place at the right time. One of Falcon's agents is being held in the notorious Lubyanka Prison where experimental drugs were used to make him break under integration. The agent is a man Abby has a painful history with. A man who stole her heart and left her. Can Tony and Abby race against time to save the CIA operative? Will Tony regain his memory only to learn that she is the only woman he ever loved and the only person he ever feared? Does love win this battle? Or do these two souls who are meant to be together take the safe road and part with just a handful of memories?
