

Grid Down Perception of Reality

America once a thriving and prosperous nation, now an empty decaying wasteland everything changed in the blink of an eye. In Grid Down Reality Bites, a high-altitude nuclear blast causing an EMP (electrical magnetic pulse) destroys the power grid, catapulting life as they knew it, back to the 1800s. The saga continues in Grid Down Perceptions of Reality (volume 2, part 1), as Amy, Preston, Michael, Joe, and Jane desperately struggle to survive the chaos that ensues. Now a post-apocalyptic world, they must rely on their primal instincts to escape destruction, disease and death. In response to readers, Grid Down Perception of Reality, is being released as a 3 part series. Part 2, with Clint and Junior, is schedule for release February 2014. The first book of this series, Grid Down Reality Bites, was on Amazons Best Seller Survival Fiction list for 8 months. Readers from around the world praised Grid Down Reality Bites for providing real-life survival information through the captivating story of three groups of people struggling to survive the aftermath of an EMP.
