

Let Love Find You

Lady Amanda Locke has struck out miserably in her two Seasons on the marriage mart. Beautiful, titled, and charming - even if she does talk a bit too much - Amanda doesn't understand why love eludes her. Even her father, the Duke of Norford, is so perplexed he is prepared to take drastic measures to ensure his daughter's happiness. Now, as Amanda begins her third Season, she gets a little help from Cupid, a darkly handsome horse breeder whose knowledge of basic animal attraction has guided him in arranging more than a few successful matches between the young ladies and gentlemen of the ton. Hired by Amanda's family, Devin Baldwin produces results for Amanda and soon she is happy to be courted by one of his clients, the dashing Viscount Altone. In order to secure Amanda's match to a nobleman obsessed with horse racing, Devin must teach Amanda how to overcome her fear of horses. But as Devin shows her the joys of riding, hunting, and racing, will their own hearts run astray as Amanda finds herself falling in love with Cupid himself? Experience Johanna Lindsey's mastery of historical romance! (Entertainment Weekly)
