

Blister

They call her Blister. Shes a hideously disfigured twenty-three year old woman, living in a shed next to her fathers house, hidden away from the world. Jason Tray is a successful cartoonist, banished to his agents lakeside cabin for a few days of mandatory rest and relaxation. One night, while hanging out with a couple of the locals at a dive bar, he takes them up on their offer to go see Blister, having no idea what theyre talking about. He peeks through the window at the most nightmarish thing hes ever seen. In the morning, he wakes up, hung over and regretful. Hes better than this. He needs to apologize? From the Bram Stoker Award-nominated author of PRESSURE, DWELLER, and WOLF HUNT comes a tale of fiendish secrets, ghastly crimes, and human monsters. Impossible to put down, rich with character and humor, BLISTER explodes off the page. Peter Adam Salomon, Bram Stoker Award-nominated author of All Those Broken Angels
