

## Hudibras, in three parts ... With large annotations and a preface by Zachary Grey, etc. Vol. II.

Title: Hudibras, in three parts ...  
With large annotations and a preface by Zachary Grey, etc. Publisher: British Library, Historical Print Editions  
The British Library is the national library of the United Kingdom. It is one of the worlds largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The FICTION & PROSE LITERATURE collection includes books from the British Library digitised by Microsoft. The collection provides readers with a perspective of the world from some of the 18th and 19th centurys most talented writers. Written for a range of audiences, these works are a treasure for any curious reader looking to see the world through the eyes of ages past. Beyond the main body of works the collection also includes song-books, comedy, and works of satire. ++++The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification:++++  
British Library Butler, Samuel; Grey, Zachary; 1801. 2 vol: plates; illus; port. ; 8?. 991.1.8.
