

Inspid

Banal. Lifeless and Colorless. These are the words that describe my life. Ive made the right choices, done all the right things. Im strong, intelligent and highly successful. Ive lived scrupulously, loved greatly, and shared my blessings equitably. But life hasnt been fair with me. Now Im drowning in the middle of the ocean, desperately searching for the shore, surrendering to the fact that I will never be happy. Then he came along. Life is unpredictable. You can play it safe and resist change for fear of the unknown. Or you can close your eyes and take the leap with the knowledge that your life will change forever. Which one will I choose? My name is Jade Richmond and this is my story.
