

# Jameson Hotel: The Complete Series Box Set (Parts 1-6)

THE COMPLETE 6-PART SERIES MARK JAMESON is an arrogant prick with a big dick who loves to fuck. Tall, blond, muscular, dominant, and oh, so cocky. A former porn star, he now owns a luxury hotel in South Lake Tahoe. His life revolves around money, getting laid, and protecting his loved ones. He thinks of himself as a vigilante and truly believes its a good deed to kill any bastard who harms women or torments his family. Im not a serial killer; Im a vigilante who rids the world of scum. Dont fuck with the people I love. JULIA BARRINGER is a young, fierce, foul-mouthed blonde who works the front desk at Marks hotel. He knew the moment she walked into his office that he'd have her in his bed before anyone else in the hotel laid a finger on her. But he never would've imagined a woman could have so much control over his personal life, his dick, and ultimately... his heart. Look at her sweet modelesque body, those big tits, and the way she wraps her lips around my giant... oh, freakin' A, this woman's perfect. But what if she finds out about the porn, the drugs, and the bodies at the bottom of the lake? Will she run? Or does Julia have secrets of her own? Jameson Hotel is intended for mature audiences due to explicit sex, strong language, abusive situations, and murder. Some readers may find it offensive or disturbing. \*It also contains a touch of humor.\* \* \* \* \* \* \* \* \* \* \* PARTS 4-6 MARK Im handsome as fuck, a god in the bedroom, and my family's protector. Id give my life for every damn one of them. But no ones gonna kill me. Im smarter and more experienced than any scum who crosses my path... except for a sick beast who just checked into my hotel. Hes carrying a dark secret that may put me in my grave, if my son doesn't get to me first. JULES Marks my everything, and even though hes an arrogant prick, I love the crazy bastard. Hes the only man besides my dad who'd give his life for me. Yeah,

my dad. Ive invited him to Marks hotel for dinner, and when the two meet... well, lets just say the shit hits the fan. I love them both, but someone may end up dead. JACK My dads such an ass. I cant believe Im living in his freakin hotel in the middle of some bumfuck mountains. Lucky me. Turns out Im just like him too--a good-looking, foul-mouthed, smooth operator. But at sixteen, Im not taking orders from him. Seriously, if he fucks with me, Im gonna kill him.\* \* \* \* \* \* \* \* \* Jameson Hotel is a spin-off series of NOVA, but can be read as a standalone.
