

Secret Baby Bear: A Second Chance Romance (Second Chance Shifters Book 1)

Lost love, a secret baby, and a second chance for romance. Noah left the love of his life on the night he faced the terrible secrets of his family. His only sure way to protect the woman he loves was to leave her. Every day in the years that pass, he thinks about the love he lost. Raine kept her own secret safe for all that time, even through the pain and loss she suffers. It takes another tragedy to bring Noah home and he discovers that the fire of his love still burns as hot as it ever did. Can he win Raine back after so much has come between them, will she accept him, and what will happen when he learns her secret? THIS HEART-WRENCHING SECOND CHANCE ROMANCE STANDALONE NOVELLA has love, emotion, anger, some violence and a big, steamy climax. A gripping and emotional journey with a secret baby for good measure. The huge surprise happy-ever-after ending delights readers, so please, do not give away the ending to other readers. Be warned, there's also a seriously steamy conclusion.
