

## Invaders from the Infinite and Other Works of Science Fiction by John W. Campbell (Unexpurgated Edition) (Halcyon Classics)

This Halcyon Classics ebook collection contains four science fiction novels and one short story by John W. Campbell, an influential early figure in science fiction. As editor of Astounding Science Fiction from late 1937 until his death in 1971, he is generally credited with shaping the so-called Golden Age of Science Fiction. Isaac Asimov called Campbell the most powerful force in science fiction ever, and for the first ten years of his editorship he dominated the field completely. This ebook is DRM free and includes an active table of contents for easy navigation. Contents: The Black Star Passes, Invaders from the Infinite, Islands of Space, The Ultimate Weapon, The Last Evolution. This unexpurgated edition contains the complete text, with minor errors and omissions corrected.
