

Getting Started: Clicker Training for Dogs

Through several editions, and a name change to Getting Started: Clicker Training for Dogs, this classic has served up just the right portion of science and practical tips for anyone to understand why clicker training works so well, and the first steps to building a new system of communication and deeper bond with their dog. Now, this powerful little book has become more helpful than ever in a new e-book edition packed with step-by-step photographs of dogs and their handlers, clearly showing each stage of: Shaping a behavior-Choosing and delivering a reward-Raising criteria-Target training-Timing the click-How to progress in small steps-Clicker training foundation behaviors, including Sit, Down, and Come when Called-Clicker training walking on a loose leash-Teaching a dog to be clicker savvy with the classic game, 101 Things to do with a Box-Training alone, with a partner, and in a group-Keeping training fun for you and your dog Throughout, the easy-to-read text explains the science of behavior and learning that makes clicker training so effective, including: Why every interaction with your dog is a training opportunity-Why mistakes are best ignored-Why punishment doesn't work-Why your dog will understand the language of the click better than anything else An all-new chapter on where to find more information and connect with other clicker trainers completes this invaluable new edition, along with Frequently Asked Questions and Clicker Tips. If you're curious about clicker training and want to learn more, begin with Getting Started: Clicker Training for Dogs. If you've tried clicker training, and know that it works, keep Getting Started: Clicker Training for Dogs in your library to review the underlying principles and basic techniques. If you already have a copy of earlier editions, be sure to add this new edition to your library for its more than 70

photographs of clicker training in action. If you are instructor or professional trainer, it is the beginners reference on which you can rely. Getting Started: Clicker Training for Dogs. Its the first step to the world of clicker training.
