

## Zanes The Other Side Of The Pillow (Thorndike Press Large Print African American Series)

A New York Times Bestselling Author Jemistry Daniels is bitter and not trying to hide it. Even though she is a beautiful, intelligent professional, one man after another has failed her. So she's given up on real relationships and adopted the friends with benefits mentality. Then she meets Dr. Tevin Harris at a poetry slam. Recovering from a failed marriage, Tevin listens to Jemistry's male-bashing poem and instead of steering away from her like most men with any common sense would do, he asks her out.
