

## Blunt Impact (A Theresa MacLean Mystery)

Forensic scientist Theresa MacLean is puzzled by the questionable death of a female construction worker at a Cleveland building site. A witness to the death a young girl nicknamed Ghost may be able to help. Ghost says the woman was pushed by someone she can only identify as the Shadow Man. Soon Theresa finds herself in a race against time to protect Ghost from an unknown killer before he is able to find the little girl and silence her for good.
